## BLACK GARLIC SHAMPOO

The content of black garlic is more abundant than normal garlic in S-Allyl Cysteine (SAC), vitamins, minerals, sulfuric essential oils, sugars, proteins and amino acids. In our formula that makes nature meet science, we use natural based raw materials that ensure in-depth cleaning of hair and scalp while special vegetable oil blends and bittum oil extract nurtures the scalp and the hair, making them moist and strong. Due to its antioxidant properties, it protects the skin and hair against free radicals caused by external factors, making the hair appear brighter and healthy. Keratin content gives elasticity to the hair and helps to reduce split end formation.

Product Code: 6230

## CACTUS EXTRACT SHAMPOO

Cactus oil, that contains essential fatty acids, piscidic acid, vitamin E and strong antioxidants, penetrates quickly into the hair, helping it shine and nourish. In our formula that makes nature meet science, we use natural based raw materials that ensure in-depth cleaning of hair and scalp while special vegetable oil blends and cactus extract help the skin protect its moisture-oil and mineral balance, nurture hair strands and hair skin, make it breathe and protect against external damage. Keratin content gives hair elasticity. Suitable for all hair types, hijab hair and sensitive skin.

## HAIR CARE OIL

Argan oil, natural vegetable oils and keratin containing formula moisturizes and nourishes the hair and skin of the hair, protects against the damage of the sun, the sea and the pool chemicals, and helps the hair gain its natural appearance. It can be used for the care of weak, fine wired, wore-out, dyed and processed hair types. After waiting for at least half an hour, wash your hair with the suitable type of Harem's shampoo. It can also be used by adding Harem's hair conditioner.

Product Code: 0016

## HAIR SERUM

The formula that contains natural vegetable oils, argan oil and keratin; helps to strengthen hair by nurturing hair and scalp while protecting the oil balance and helping to prevent the formation of split ends. A special formula that does not require rinsing ensures that the hair looks well-maintained throughout the day. Then you can give your hair the desired style. It can also be used on styled hair. For more effective results, we recommend you to wash your hair with the suitable type of Harem's shampoo and to have a weekly hair care routine with our hair care oil. Suitable for all hair types.
